Poem: Nancy Burr

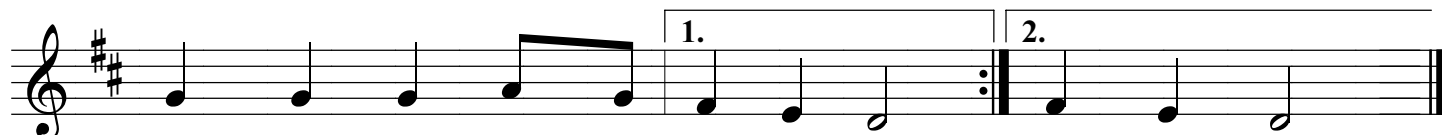

Music: Le Dang Ngon

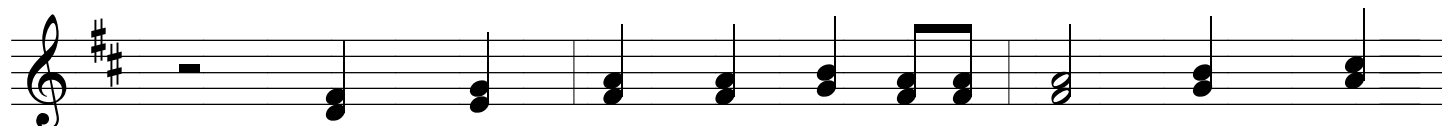

It's rain - ing leaves out side to - day Up on the trees they
It's like a rain - bow on the ground So ma - ny co - lours

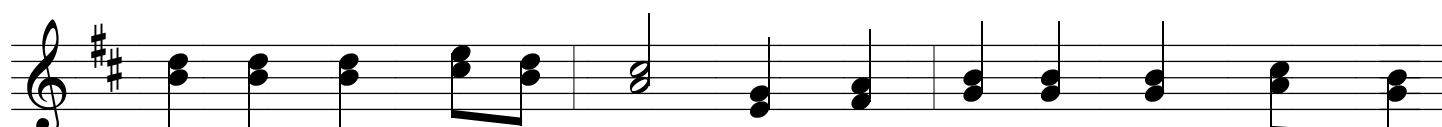

will not stay They're fall - ing down all a - round me
can be found Leaves of o - range pur - ple and red

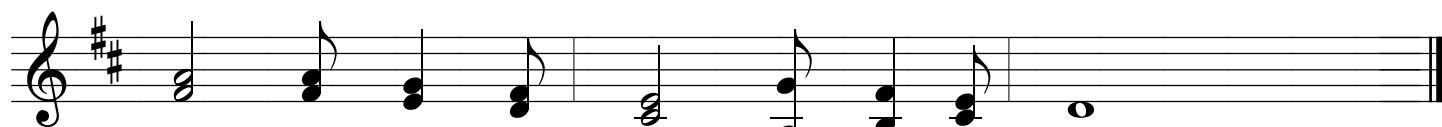

They're com - ing off of e - very tree
Are on the ground and on my head

Let's rake the leaves in - to a pile Then jump

right in we're sure to smile Or make a craft with leaves and

glue With all those leaves, what will you do?
